

# GTrans is now on the Transit app!

How to use your new favorite public transportation app.

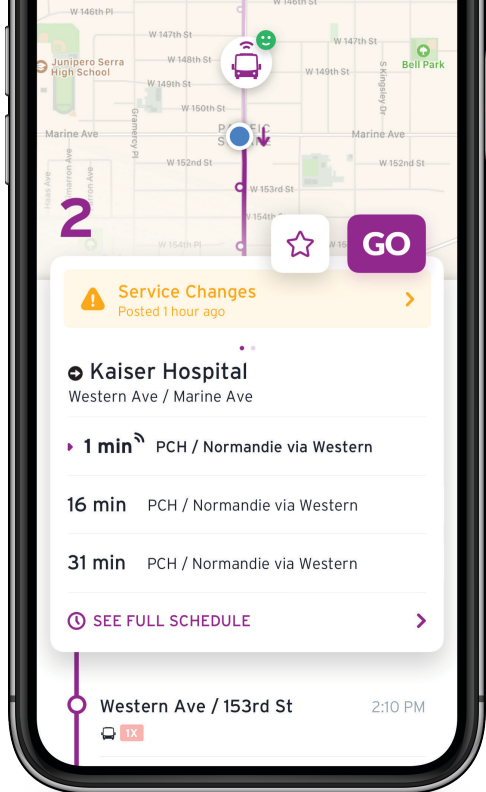

## HOME SCREEN

Tap the green search bar to plan a trip or search for a specific line.

The feed below the map shows nearby transit options and countdowns to the next departure, sorted by proximity.

Swipe left/right on any route to view the different directions and tap to see more information.

## ROUTE VIEW

### Route Map 📍

Find nearby stops and see vehicle locations shared by other GTrans riders.

### Service Alerts ⚠️

Keep on top of schedule changes, detours or unexpected surprises.

### Upcoming Departures ⌚

See the next three arrivals, or view the full schedule.

### Favorites ★

Always take the same route? Move it to the top of the list by adding it to your favorites.

Tap **GO** for step-by-step transit directions and notifications about when to leave for your trip, and when to get off.

**Plus: when you use GO, you're helping other riders get real-time bus locations. 😊**
